The background of the entire image is a collage of numerous circular frames, each containing a portrait of a different person. The people vary in age, gender, and ethnicity. Some are smiling, some are making gestures (like a thumbs up, a peace sign, or holding a megaphone), and others are holding objects (like oranges or a book). The circles are set against a white background with scattered solid-colored circles in shades of orange, teal, yellow, and green.

An artistic illustration featuring two young women, one with long red hair and one with dark hair, both looking upwards with their arms raised. They are surrounded by several floating books of various colors (blue, green, red, purple). A sign with the words 'LIFE SKILLS' in bold orange letters is suspended by black clips. The background is a soft, textured blue with faint, large letters like 'f', 'g', 'm', and 'd' scattered throughout. The overall style is painterly and vibrant.

# LIFE SKILLS

We have the right to **DISCOVER**

the right to **HOPE** and **DREAM**

the right to **FEEL HUMAN** and  
**FEEL UNDERSTOOD**

the right to **BE OURSELVES,**

to **LOSE OURSELVES** and

**FIND OURSELVES AGAIN**

Good books give us all of these things.  
**LIFE SKILLS** can give us even more.

Our EFL Life Skills series has an ambitious goal; not only to teach a new language through literature but to offer students the tools they need to develop into happier, more fulfilled people. As they read, reflect and explore, a whole new world of ideas and emotions opens up to them. Critical thinking, problem solving and emotional awareness are just a few of the Life Skills they can acquire. Students have the opportunity to deal with difficult feelings and situations in a positive way – growing as they read.

## Total FIRST - New Edition

For the revised 2015 Exam

► **Annie Broadhead, Ginni Light, Robert Hampton**

Total FIRST – New Edition is a preparation course for the Cambridge English: FIRST exam (B2 Vantage of the Common European Framework of Reference). It has been revised throughout to reflect the new Cambridge English exam specifications for 2015.

The course is suitable both for in-class use and individual study, and the careful choice and variety of materials make it suitable for the FIRST and FIRST for Schools exams.

Total FIRST – New Edition focuses on the two aspects of the exam identified as being the most challenging for students – Reading and Use of English and Writing. Students learn through exam-style tasks as well as general communicative activities. Each of the sixteen units offers carefully graded exam tasks and strategies for each part of the exam to guide students through every aspect. There is a Grammar page after every unit with at least one targeted exercise.

The double pages after each unit help students practise the more complex tasks covered in the exam (multiple-choice cloze, open cloze, word formation, key word transformation). The Banks at the end of the volume take a closer look at each part of the exam (Reading and Use of English, Writing, Listening, Speaking), with helpful tips and advice on how to achieve the best possible result.
